INSTITUTIONAL LMS

For institution LMS: Summary of the e-content developed and the links to the e-contents

The University of Rajasthan has a separate space on the website where the faculty members as subject experts can upload their presentations, lecture notes, and video tutorials to benefit the students enrolled in the Institution. The students are free to visit and study their subject with the help of e-tutorials and e-texts available. The e-content comprised of contents submitted and uploaded in various disciplines viz. Science, Arts, Commerce, Law, Humanities, Social Science, etc. This e-content helped to connect the learners and teachers during the COVID-19 duration. The following are the links of the Institutional LMS year-wise;
